The qualifying times listed are to be used to determine which events a swimmer may or may not be eligible to participate in. Both meter and yard times have been provided.

ALL NBSL INVITATIONAL ENTRIES MUST BE PRESENTED IN METERS.

25 Yard times are to be multiplied by 1.11 to determine equal meter times. This is a conversion factor provided by USS Swimming. 20 Yard times are to be multiplied by 1.44 to determine meter times.

* Times listed for I.M.'s are only a guideline. There will be no I.M.'s at the NBSL Classic.

** 18 & under swimmers swim only at the NBSL Invitational and a qualifying time is not required.

However, the times provided are based on past results for the majority of the 18 and under swimmers and they should be used as a recommended guideline when entering an event at the NBSL Invitational. To determine Qualifying times from a 20 yard pool please use the other Qualifying Times sheet set up for 20 yard pools.
