The qualifying times listed are to be used to determine which championship event a swimmer may or may not be eligible to participate in. Both meter and yard times have been provided. **ALL CHAMPIONSHIP ENTRIES MUST BE PRESENTED IN METERS.** 25 Yard times are to be multiplied by 1.11 to determine equal meter times. This is a conversion factor provided by USS Swimming. 20 Yard times are to be multiplied by 1.44 to determine meter times.

* Times listed for I.M.'s are only a guideline. There will be no I.M.'s at preliminaries.

** 18 & under swimmers swim only at Championships and a qualifying time is not required. However, the times provided are based on past results for the majority of the 18 and under swimmers and they should be used as a recommended guideline when entering an event at Championships.

To determine Qualifying times from a 20 yard pool please use the other Qualifying Times sheet set up for 20 yard pools.
