## **4f. NBSL General Code of Conduct Swim Team Agreement**

It is mandatory for each Swim Club to electronically sign the general code of conduct prior to the start of the swim season. This will be sent out by the NBSL president. **No Swim Team will be permitted to participate in an NBSL sanctioned event until this has been completed.** The President of each pool should review the Code of Conduct with the board members of the pool.

Please keep in mind that the purpose of the Code of Conduct is to ensure a positive experience for our swimmers and all other participants. Thank you for your dedication and support of our swimmers!

## **4g. Meet Day Timetable Agreement**

It is mandatory for each Swim Club to electronically sign the meet day timetable agreement prior to the start of the swim season. This will be sent out by the NBSL president. **No Swim Team will be permitted to participate in an NBSL sanctioned event until this has been completed.** The President of each pool should review the Code of Conduct with the board members of the pool.

This does not mean that the coach or NBSL Rep must do all of these things, just be aware that these deadlines must be met by someone responsible on the team. Any special instructions or needs must be discussed well prior to the meet with the other pool's NBSL rep.

If any of these deadlines cannot be met, the other team's NBSL Rep and coaches must be contacted before the meet. We do not want to have to impose penalties\*.

These deadlines are meant to make meets easier for the away team and should lead to less stress at the scorer's table.

Thank- you for your attention to this matter.

*\*If these conditions are not met consistently and meets are being delayed, penalties will be imposed.*
